

Simplify Your Finances with an All- in-One View

Juggling multiple banks' accounts for your business and struggling to keep track of all your assets in different banks? Introducing the new Interbank Account Data Sharing Scheme(IADS) - a secure and efficient way to consolidate all your multiple banks' account data in just one platform.

Developed by the Hong Kong Monetary Authority, the IADS initiative launched with the support of over 20 banks, with the objective of improving efficiency and more innovative digital banking services and solutions. By giving consent to share your bank account data from other banks with OCBC Bank Hong Kong securely, you empower a more digitalised banking experience and the potential of new tailored data-driven services for your convenience in future.

Here is a step-by-step guide on how to provide your consent to share your data from other IADS participating banks with OCBC Bank Hong Kong.
